Upcoming Satellite Flu & Immunization Clinics

With Flu season in full swing, the Fort Yuma Health Center is taking action to help minimize influenza infections this year by offering several Satellite Immunization Clinics. These clinics are intended to give patients easier access to Flu Shots, Pneumonia Vaccines and to update all past due Immunizations without the hassle of scheduling an appointment. The Ft. Yuma Public Health Nurse will be offering Satellite clinics on select dates throughout the month of October. More dates and locations will be announced as we get further into Flu season. If you have any questions regarding this clinic, please call the Fort Yuma Appointment Desk @ (760)572-4147 or (760)572-4149.
