

**TDS Telecom Winterhaven Last Mile Underserved Broadband Project**

**PHASE II**

**HIGH SPEED INTERNET EXPANSION**

**PHASE 2 EXPANSION** – With the success and community support of the first project, TDS is *expanding underground Highspeed Internet* to more residents on Arnold and Picacho Roads! This notice is to inform you that the project “Right of Entry” forms must be filled out so surveyors can design the project.

**\*\* IMPORTANT:**

**RIGHT OF ENTRY FORMS MUST BE FILLED OUT AND RETURNED FOR THE PROJECT TO MOVE FORWARD – CALL (505) 208-0260 FOR ASSISTANCE.**

**FREQUENTLY ASKED QUESTIONS:**

**Q: What is a “Right of Entry” for?**

**A:** A “Right of Entry” is a form that simply allows surveyors and appraisers to walk on your land, with your approval. A “Right of Entry” *is temporary* and can be revoked at any time.

**Q: Who needs to sign a “Right of Entry” form?**

**A:** Anyone who has interest in the Phase II allotments along Arnold and Picacho Roads.

**Q: Where will the underground fiber go and what needs to be surveyed?**

**A:** The edge of the existing road. There will be no impact to the use of your land or crops. Cables and other wires *already exist in this area*, a new one just needs to be added!

**Q: Who pays for the project?**

**A:** TDS and grant money from the State of California is paying for the project. If the project is not completed, that grant money will be lost. *Use it or lose it!*

**Q: I want reliable highspeed internet! What can I do to help the expansion project go forward?**

**A:** The project *cannot move forward without “Right of Entry” forms*. If you have received a Right of Entry form or know somebody who has – encourage them to return the form!

**Q: I want to know more details! Internet cost? Maps? Compensation? Other questions?**
