Dear Community Members:

Quechan Head Start is gathering information for our community assessment. The assessment paints a picture of the community and describes the diverse needs of families who may receive services. In addition, the community assessment covers the community's history, its economic and political scene, and its strengths and challenges. Head Start Program Performance Standards requires programs to review and update the community assessment annually to reflect any significant changes.

As a valuable part of our service area, we are requesting your completion of the attached Community Assessment survey. Your information is very important to our program in better serving our children, families, and community.

We appreciate your time in responding to this survey.

Quechan Head Start  
628 Picacho Road Building #4  
Winterhaven, California 92283  
(760) 572-0263

**Return Survey to Head Start by August 4, 2023. Thank you.**
