

NOTICE

Agnes Road Re-opens; Indian Hill Drive Set to Re-open, Quechan Drive Repair Work Begins on Thursday, 10/19/2017

On Wednesday, 10/18/2017, the first 2" lift of asphalt paving on Agnes Road was completed between Picacho Road (S-24) and Quechan Drive, and by 11:00 am, Agnes Road was re-opened to traffic. The full 4" inch asphalt paving on Indian Hill Drive will be completed, as well as asphalt repair work on Quechan Drive at the Sapphire Lane intersection, on Thursday, 10/19/2017. Quechan Drive will be closed and traffic to and from the Old Subdivision will be detoured as indicated below. The work will bring additional construction equipment and vehicles into the area. Please use caution, pay attention to the detour signs, and drive safely around this construction zone. Quechan Drive and Indian Hill Drive will re-open to traffic by 4:00 pm on Thursday, 10/19/2017.

A second 2" lift of asphalt paving on Agnes Road will occur in mid-November, after landscaping at the new Health Care Center is completed.
