

# Checklist for School Event Attendees

## As an attendee, what should I consider before I attend an event?

Before attending any school event, you may want to consider the following in order to make an informed decisions:

### Considerations about a school event:

- Is the event outdoors (lower risk) or indoors (higher risk)?
- Is the school requiring all staff and attendees to be vaccinated or show proof of a negative test prior to the event?
- Is the school requiring all staff and attendees to wear [masks](#) when indoors?
- Is the school offering other options for participation or attendance (virtual options, reserved hours, etc.)?
- Is the event communicating all the protective measures they are putting into place for this event?

### My own considerations:

- Am I [vaccinated](#) or boosted?
- Do I have a [well-fitted mask](#) to use when it is required?
- Am I [sick or experiencing symptoms of COVID-19](#) (I shouldn't attend the event)?
- Am I at risk of severe illness or disease if I get COVID-19?
- Do I live with someone who may be at risk of severe illness or disease if they get COVID-19 (are they unvaccinated or immunocompromised)?
- Do I know [how to access treatments](#) that may be available to prevent or treat COVID-19 if I am at risk for serious disease and eligible for treatment?

For more information about planning or attending Safe and SMART events please read our [Safe and SMART Events Playbook](#).
