Quechan Small Business Owners,

At the current time, the Small Business COVID-19 Relief Program will need to undergo further review in order to ensure the Relief Program is meeting the U.S. Treasury CARES Act guideline requirements.

We apologize for the delay; we will provide an update of the Program's progress on Monday 20, 2020 and post it on the Quechan Tribes website ([www.quechantribe.com](http://www.quechantribe.com)).

Stay safe and be well,

Quechan Tribal Council
