

Quechan Tribal Halloween Event

The COVID-19 Pandemic has changed many aspects of all our lives, including how we socialize and celebrate special occasions like Halloween. This year we would like to offer a safe alternative by hosting a Halloween Trick or Treat event for our community children.

Stomp Grounds • Oct. 30 • 4pm - 7pm

What to Expect:

- There will be masks encouraged and social distancing practiced throughout the event to keep our children as safe as we can.
- There will be an entrance line to the booths occupied by some of our Tribal Programs in which the children will be directed through the path to receive goodies.
- Hand sanitizer stations at each entrance and throughout the park.
