

Parent/Child Swim Classes

Come join us for parent and child swim classes. This class is geared towards orienting children ages **6 months to 36 months** to the water. We will use exploration techniques, fun games and interaction to help children have a positive association with swimming and being in the pool. This class is great for preparing children to move on to the preschool age classes where they will learn more swim techniques. The goal of this class is for participants to feel more comfortable in the water and in a swim class environment. Every child must be accompanied **in the water** by someone that is at least 16 years old or older or a parent.

Dates:	Monday through Friday, June 18 - 22nd, 2018
Time:	5:00 - 5:30pm
Cost:	FREE
Registration:	Please visit the Quechan Parks and Recreation office to register
Location:	Rainbow Pool: 604 Picacho Road, Winterhaven, CA 92283
