

Quechan Environmental Protection Office: Roadside Clean Up

To Residents of Ft. Yuma Indian Reservation:

The Environmental Protection Office will be conducting a old appliance and tire roadside pick up, Starting September 25th-September 29th, 2017. Please have old appliances (washers, dryers, refridgerators, tv's) and tires out near road during these dates above. We will be coming through only once during this time. Any items after September 29th will not be picked up and will be your responsibility!
