

Quechan Environmental Protection Office: Roadside Clean Up

To Residents of Ft. Yuma Indian Reservation:

The Environmental Protection Office will be conducting an old appliance and tire roadside pick up, Starting August 10th - September 11th 2020.

In order to get your items picked up, please call and make an appointment with the Quechan Environmental Protection Office at (760) 572-2969 or (928) 920-3996.

Once you've made an appointment and on the list, please place old appliances (washers, dryers, refrigerators, TV's) and tires out near road during these dates above. We will be coming through only once during this time.

Any items after 1:00 pm September 11th, 2020, will not be picked up and will be your responsibility!
