

**Applicator at Helena Agri Enterprises, LLC in Yuma, Arizona, United States**  
**Job ID# 4634480 on [www.azjobconnection.gov](http://www.azjobconnection.gov)**  
**Full Time - Permanent/Temporary**  
**Pay Rate: \$18.50 Hourly**

### **Job Description**

The Applicator is responsible for correctly applying herbicides and pesticides to labeled crops from recommendations made by your leader. This position also operates all applicator equipment and performs maintenance on that equipment. This position requires a Class A or B CDL.

What your day may look like:

- Correctly mixes pesticides, fertilizers and chemicals for application.
- Maintains accurate log books on applicated acres.
- Performs maintenance and calibration on application equipment.
- Wears proper protection equipment.
- Participates in continuing education for maintaining pesticide applicator license.
- Attends applicator equipment workshops.
- Performs maintenance on other equipment and fixed facilities.
- Must be able to work nights, overtime and some weekend hours during busy season.
- Other work-related duties as assigned by leader.
- Reliable and regular attendance is expected.

Other skills that will help you succeed:

- Mechanically inclined.
- Qualified Applicator Certificate (QAC) is preferred.
- Communication and interpersonal skills.
- Agricultural background.
- Basic knowledge of ag pesticides.
- Excellent driving record.
- Ability to read field maps and use tractor-mounted field computers.
- Professional competence to safety.
- Ability to pass a CDL physical examination.
- Ability to work without direct supervision.

Your work environment and the physical aspects of the job

At Helena, safety is our highest priority. We seek out extensive safety measures and put them in place to minimize exposure to anything that could be potentially harmful to our employees.

The work environment for this position is that of a typical warehouse and distribution environment where the noise level is usually moderate to loud and occasionally very loud. In this position, the employee regularly works near moving equipment/mechanical parts and could be exposed to fumes, airborne particles, chemical and biological hazards and a risk of electrical shock. This position requires you to use your hands for many different tasks and to talk, hear, walk, stand and sit. You will be regularly required to lift or move up to 100 pounds.

### **Job Requirements**

- High school diploma is required.
- Experience in operating large equipment is required.
- Must be 21 years old.
- A Class A or B CDL is required.
- Must pass a drug test and background check.
