

## **Dockworker at Amerigas Propane Yuma in Yuma**

**Job Id 4637224 on [azjobconnection.gov](http://azjobconnection.gov)**

**Full Time**

**Pay Rate: \$13.00 - \$15.00 P/Hr.**

### **Job Description:**

The Dockworker primarily works in the outside dock area of the America's facility. The employee is responsible for unloading empty propane cylinders from the truck(s), carrying them inside the dock area to the refill station, and refilling the cylinders. The filled cylinders are then moved back to the dock and reloaded onto the truck(s) for the next day's delivery. Other duties include cylinder repair and maintenance, providing customer training on dispensing propane, and handling refills for walk-in customers.

### **Knowledge, Skills, and Abilities:**

- Ability to climb steps/ladders
- Ability to walk 1-5 miles while carrying cylinders
- Ability to carry multiple propane cylinders weighing up to 50 lbs. each
- Must have working knowledge of hand tools

### **Job Requirements:**

- Minimum of six months' work experience in manufacturing
