

**Equipment Specialist (YPG - Flight Services) at Army Test and Evaluation, Yuma Proving Ground in Yuma, Arizona, United States**

**Job ID# 5100372 on [www.azjobconnection.gov](http://www.azjobconnection.gov)**

**Full Time - Permanent**

**Pay Rate: \$66,214 - \$86,074 Annual, DOE/DOQ**

**Job Description**

The United States Army Test and Evaluation Command is posting this advertisement for the subject position. The chosen candidate will serve as an Equipment Specialist supporting the Flight Services Division within Yuma Test Center, Yuma Proving Ground, AZ. A selection will be made soon after the closing date. Selection of this position will be made permanent at the GS-11.

**Job Responsibilities**

As an Equipment Specialist you will be responsible for:

- Managing unit supply functions involving coordination with Aviation Support Services Contractor for developing parts and equipment necessary to sustain a fleet of aircraft assigned to the unit.
- Managing unit Hand Receipt, coordinating with Property Book Office for actions related to turn-in of equipment.
- Coordinating with the Property Book Officer and prepares justification for actions relating to the unit's Table of Distribution and Allowances (TDA).
- Preparing Purchase Requests and Commitments, request for issue, request for Military Interdepartmental Purchase Requests (MIPR), and initiates documentation required for procurement actions to obtain support equipment and repair parts from commercial or government sources.
- Obtaining quotes and prepares purchase orders and amendments, reviews request for supplies, equipment, and services and makes purchases based on price, material, quality, and urgency.
- Purchasing supplies and property using a Government Purchase Card (GPC).
- Inputting requisitions for parts and supplies via AirCraft Notebook (ACN), and Global Combat Support System – Army (GCSS-A).
- Preparing Financial Liability Investigation of Property Loss (FLIPLs), and other documents as required for maintenance and accuracy of hand receipt data and item accountability.

**Job Requirements**

To qualify for this position, your resume must state sufficient experience and/or education, to perform the duties of the specific position for which you are applying.

Experience refers to paid and unpaid experience, including volunteer work done through National Service programs (e.g., Peace Corps, AmeriCorps) and other organizations (e.g., professional; philanthropic; religious; spiritual; community; social). You will receive credit for all

qualifying experience, including volunteer and part time experience. You must clearly identify the duties and responsibilities in each position held and the total number of hours per week.

**Specialized Experience:**

Your resume must demonstrate at least one (1) year of specialized experience equivalent to at least the GS-09 grade level in the Federal service obtained in either the private or public sector performing the following type of work and/or tasks: development of plans and procedures to promote the establishment of effective aviation equipment management program; processing documentation pertaining to receipt, issue, transfer, or shipment of property; and assisting with maintaining inventory of purchase receipts or material goods.

OR

Ph.D or equivalent doctoral degree

or

3 full years of progressively higher-level graduate education leading to such degree

or

LL.M., if related.

The 1670 job series has an Individual Occupational Requirement for education:

Graduate Education: Major study -- fields related to the position to be filled.
