Pay Rate: \$66,214 - \$86,074 Annual, DOE/DOQ

Job Description

The United States Army Test and Evaluation Command is posting this advertisement to fill multiple vacancies. The chosen candidates will serve as a Program Analyst supporting either the Range Operations & Training Division or the Air Combat Systems Directorate within Yuma Test Center, Yuma Proving Ground, AZ. A selection will be made soon after the closing date. Selection of the positions will be made permanent at the GS-11 grade level.

****Please use Firefox or Chrome browser to apply****

As a Program Analyst, you will:

- Serve as the Division or Directorate Facilities point of contact, responsible for oversight, coordination, and execution of all facilities related requirements within the organization
- Gather and evaluate information and data for assigned programs and provide regular reports and status updates to management
- Review and interpret directives, instructions, and regulations; identify critical issues that may impact mission and work to mitigate or resolve challenges
- Other duties as assigned

Job Requirements

In order to qualify, you must meet the education and/or experience requirements described below. Experience refers to paid and unpaid experience, including volunteer work done through National Service programs (e.g., Peace Corps, AmeriCorps) and other organizations (e.g., professional; philanthropic; religious; spiritual; community; student; social). You will receive credit for all qualifying experience, including volunteer experience. Your resume must clearly describe your relevant experience; if qualifying based on education, your transcripts will be required as part of your application. Additional information about transcripts is in this document.

Specialized Experience: One year of specialized experience which includes: 1.) the ability to provide comprehensive program management for all assigned programs; 2.) Analyze data to determine where issues may arise and recommend or implement solutions. This definition of specialized experience is typical of work performed at the second lower grade/level position in the federal service (GS-09).

OR

Education: Ph.D or equivalent doctoral degree or 3 full years of progressively higher level graduate education leading to such a degree in a field which demonstrates the knowledge, skills, and abilities necessary to do the work of the position.

OR

Combination of Education and Experience: A combination of education and experience may be used to qualify for this position as long as the computed percentage of the requirements is at least 100%. To compute the percentage of the requirements, divide your total months of experience by 12. Then divide the total number of completed graduate semester hours (or equivalent) beyond the second year (total graduate semester hours minus 36) by 18. Add the two percentages.
