Pay Rate: $36.00 P/ Hour (Differential pay available)
$2,000 Sign-on Bonus

Job Description:

- A registered professional nurse responsible for the delivery of patient care through the nursing process of assessment, planning, implementation, and evaluation. Also, directs and guides patient teaching, activities, and ancillary personnel while maintaining standards of professional nursing.
- Defines position duties and responsibilities of nursing personnel to ensure the quality of care at the staff level of a registered nurse for the facility.
- Interrelates and works effectively with patients’ families (as appropriate), medical and nursing staff, security staff at all levels, administrative staff, and support staff, i.e., pharmacy, laboratory, etc.
- Assist all healthcare staff providing nursing care to offenders at the facility, according to Facility Administration Policies and Local, State, and Federal Regulations.
- Assesses the physical, psychological, and social dimensions of patients within the health care unit and, as necessary, in the housing units.
- Applies knowledge of available resources in obtaining a health history and in the assessment process.
- Provides a written assessment of patients on admission, during confinement, and on discharge, as requested.
- Summarizes assessment data and make a triage decision that is documented and communicated to other patient care providers.
- Plans an individual treatment program.
- Utilize available treatment protocols as written by the psychiatrist.
- Utilizes referral process to appropriate providers, as necessary.
- Applies knowledge and utilizes available resources in planning care and patient teaching.
- Consults as necessary with nurses, physicians, correctional officers, etc.
- Implements individual treatment programs in the health care unit and, as necessary, in the housing units.
- Implements clinical and technical aspects of care in accordance with established policies and procedures.
- Intervenes with proper technique, procedures, and safety precautions to meet the individual needs of patients.
- Implements a mental health plan through the administering of medications in accordance with physician’s orders.

Job Requirements:
- Associates Degree
- Registered Nurse License – Arizona Board of Nursing
- CPR
