

## EXTERNAL JOB ANNOUNCEMENT

**Job Title:** Target Operations Technician I  
**Job Code:** 2021:0402-131  
**Location:** Yuma Proving Ground, Arizona  
**FT/PT Status:** Full Time  
**Business Sector:** Target Operations

**EXTERNAL  
POSTING**

**\*\*OPENED TO ALL QUALIFIED APPLICANTS\*\***

### Job Description:

Represents Target Operations in a wide variety of areas within the test range environment. Assists with test preparation, set-up, execution, logistics, data collection, and reporting for various Unmanned Aerial Systems (UAS), Sensors, tethered aerostat surveillance, aircraft weapons, electronic warfare, and a wide variety of sensor platform training and testing programs. Assists with the conduct of field-testing in various roles from data acquisition up to direction of testing in progress. Develops the skills to access and use the YPG scheduling system to assist with projecting personnel and equipment requirements. Learns to select, set up, and operate standard test equipment and record test data. May assist with compiling and verifying test data. Assists with processing data, identifying errors or inconsistencies, and selecting methods of data presentation. Assists with receiving, transporting, emplacing, and shipping supplies, test items, and equipment while maintaining accountability. Assists with representing the Test Officer to external customers and support organizations. Demonstrates exceptional customer service skills in person, on the telephone, and in written correspondence (such as e-mail). Supports providing daily and as-needed feedback to Test Officers to provide useful information for decision-making. Supports senior team members to work with Test Officer to implement requirements for placement and operation of target vehicles and related assets. Assists with maintaining control of target array and ensuring target operations are executed in accordance with test plan and operational procedures and instructions. Performs other duties as required to complete the assigned mission. This position is covered under the Collective Bargaining Agreement.

**Pay Rate:** \$18.95/hour
